Corporate Pharmacy Intern

Our corporate pharmacy internship program is a great opportunity for student pharmacists to enhance their educational experience with a corporate perspective of community pharmacy. Selected students will spend twelve learning-packed weeks at our corporate headquarters in Deerfield, IL. The program consists of three four-week rotations in various departments throughout our corporate office. These pharmacy interns will also join other corporate interns in dialogue sessions, presentations by Walgreens corporate managers, several tours, networking events, and more!

Additional details about the program:

- Program will run from May 19th to August 8th, 2025
- Full-time internship offering a competitive salary
- Candidates must be currently enrolled in a college of pharmacy doctorate degree program with a graduation year of 2026 or 2027
- Interns will work with pharmacy mentors during each rotation throughout the program
- Enjoy networking and social events, store visits and field trips
